A MESSAGE FROM OUR *Director*

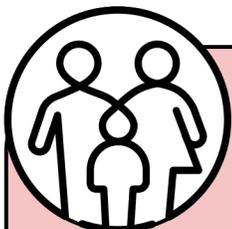

*I want to express my gratitude for our amazing staff & board for their continued support and dedication to our mission to strengthen families, protect children and promote healthy relationships. Together, we are making a difference in the lives of families and children throughout central and southwestern Utah. This annual report is intended to showcase the hope, compassion and support we strive to give to the families we serve.* -*Connie Furnival* MPA  
Executive Director

TEN YEARS OF SERVICE  
*Partners in Prevention*

In May, we held our Second Annual Partners In Prevention Breakfast for our staff and community partners in Iron County. During that event we recognised Marilyn Grainger who has served as a member and officer of our Board of Directors for ten years. Marilyn has served as treasurer and president of our Board and is looking forward to spending more time with her family. Thank you Marilyn for your service and dedication!

Current Board Member Harold Shirley with retiring Board Member Marilyn Grainger

*Parent Testimonial*

*I can say with 100% certainty that without FSC we would not be where we are today. It's really the people that make the difference. FSC has an amazing staff with passion for the mission. The many families they touch are truly enriched and given the hope of a brighter future.  
Thank you from the bottom of my heart!*

Thanks

TO OUR GENEROUS SUPPORTERS

We are grateful for the generous supporters of our First Annual Pickleball Tournament that was so fun and raised money to help families in our community. Without the ongoing support of so many donors, foundations, agencies and partners, we could not do all the great work that we do to help children & families in our communities. Thank you!
